13th July 2021

Regarding arrangements for next academic year

Dear parents and carers,

As you will be aware, the Prime Minister gave a briefing yesterday and confirmed that the relaxation of rules would happen on Monday 19th July. As we have three more school days left, and bubbles are popping in schools all around Rugby (and nationally), we will be continuing with our current arrangements. Therefore, we ask that you continue to wear a mask on the school site and carry on socially distancing until the end of term.

With the prospect of school life returning to some resemblance of normality in September, I would like to notify you in advance of some of the arrangements we will be putting into place for the start of the new academic year.

We have decided to keep the entry and exits currently used for the classrooms and to have a trickle in system rather than lining up together on the playground in the morning. Please note the start and finish times for each year group, as these are different to this year.

Nursery children will be based in the current reception classroom and will enter via the cloakroom corridor when the doors open at **8.45am**. Pick up will be from the same door at **11.45am**.

Reception children will be having the current nursery base as their classroom and will enter and exit from the back playground door when the doors open at **8.40am**. Home time collection will be **3.15pm**.

Year 1 and Year 2 will continue to use the classroom doors directly out on the front playground. Doors will open at **8.40am** and home time will be **3.15pm**.

Years 3 and 4 will continue to use the main corridor from the back playground and doors will open at **8.40am**. Home time will be **3.20pm**.

Years 5 and 6 will continue to use the door opposite the school office when doors open at **8.40am** and home time will be **3.20pm**.

Children should wear their **PE kit on days they have PE** and the PE kit must be

White t-shirt with or without logo

Navy or black shorts

Black/white/grey socks Trainers or plimsolls (not with black soles)

Tracksuit in cold weather for outdoor PE

Full school uniform must be worn on non-PE days

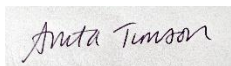

[Click here for the details](#)

As we have had experience of plans changing at the last minute, any updates to potential changes will be communicated with you before the children return to school on Monday 6th September.

Thank you for your continued support over the last, turbulent, 16 months. I look forward to our on-going partnership in the new academic year.

I wish you all a safe and relaxing summer break.

Best wishes,

Anita Timson
Headteacher
