Dear Parents/Carers,

As you are aware, school will be closed from Friday. To support home learning we are sending home learning packs with books and a pencil with children in school today. If you are already self-isolating, please visit our school website [www.st-matthewsbloxam.co.uk](http://www.st-matthewsbloxam.co.uk) for home learning packs. We will be updating the website regularly, you are welcome to email work back to [admin3213@welearn365.com](mailto:admin3213@welearn365.com).

Whilst families and children are at home, we suggest you create a timetable for your day including, waking up and getting dressed as usual by 9am, exercise, learning time, creative time, quiet time including at least 30 minutes reading and doing jobs around the house. Please be reassured that we are not expecting your child to sit with you from 9 to 3 completing tasks, please look after your own and children's emotional mental health by comforting and talking to them about what is happening, play games with them, read together. Please look after yourselves and support each other.
