

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	St Matthew's Bloxam C of E Primary School
Number of pupils in school	205
Proportion (%) of pupil premium eligible pupils	19%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021 - 2022 2022 – 2023 2023 - 2024
Date this statement was published	October 2021 (Version 1) September 2022 (Updated) September 2023 (Updated)
Date on which it will be reviewed	September 2024
Statement authorised by	Anita Timson
Pupil premium lead	Helen Francis
Governor / Trustee lead	Helen Barrett

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£79,960.00
Recovery premium funding allocation this academic year	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£79,960.00

Part A: Pupil premium strategy plan

Statement of intent

At St. Matthew's Bloxam C of E Primary School, we are committed to promoting the progress and attainment of all children, to ensure every pupil achieves to their fullest potential allowing every child to let their light shine.

Our aim is that all of our children who receive Pupil Premium funding will make accelerated progress in core subjects narrowing the attainment gap to peers. We will do this through quality first teaching, intervention support and an intensive pastoral support service for pupils and parents. We use same-day interventions to close daily gaps in lessons. We facilitate pupils accessing a wide range of enrichment experiences, which will positively impact pupil's academic achievement, well-being, attendance, confidence, readiness to learn and their future aspirations in life.

We offer personalised pastoral support service for pupils and parents / carers to ensure any issues are addressed, sign post for further support and increase attendance at school and support our children's health and wellbeing to enable them to access learning.

We will continue to ensure that St Matthew's Bloxam continues to be a safe, honest, inclusive, kind and respectful school as we learn together.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Narrowing the attainment gap across Reading, Writing, Maths and Science.
2	The attendance of our Pupil premium children as a group is lower than the whole school.
3	Limited life experiences and opportunities and poor parental engagement.
4	Increased numbers of pupils with social, emotional and mental health difficulties.
5	Increased numbers of pupils with speech and language difficulties.
6	There is a considerable crossover of our Pupil Premium children who fall in to other vulnerable groups.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
The gap between Pupil Premium children's attainment will decrease through accelerated progress to close the gap in literacy (reading and writing) attainment.	- Strategies to help Pupil Premium children engagement and achievement in lessons reviewed regularly and staff reminded to maintain focus on Pupil Premium children. - Accelerated progress in reading and writing. Average point's progress is at least 2.5 points or more per child per term. - Gap is closed between Pupil Premium compared to all pupils in schools and nationally. - Range of interventions to support Pupil Premium children. - Use of CLPE and power of reading strategies. - Pupil Progress meetings will have a focus on Pupil Premium children.
The gap between Pupil Premium children's attainment will decrease through accelerated progress to close the gap in math's attainment.	- Strategies to help Pupil Premium children engagement and achievement in lessons reviewed regularly and staff reminded to maintain focus on Pupil Premium children. - Accelerated progress in mathematics. Average point's progress is at least 2.5 points or more per child per term. - Gap is closed between Pupil Premium compared to all pupils in schools and nationally. - Range of interventions to support Pupil Premium children. - Use of Power Math's / White Rose strategies. - Pupil Progress meetings will have a focus on Pupil Premium children.
Staff will deliver high quality first teaching and use a variety of strategies to promote engagement and involvement of Pupil Premium children which will result in accelerated progress.	- High quality first teaching delivered, using a variety of strategies for engagement and involvement. - Lessons will involve modelling and teaching of self-regulative strategies. - Pupil Premium children will be fully engaged in all parts of their lessons using their personalised strategies. - Pupil Progress meetings shows identified children are making accelerated progress to close the attainment gap.
Children with SEMH needs supported and ready to learn.	- Children with SEMH needs are supported to ensure they are ready to learn. - Children with SEMH needs have access to Nurture Group or nurturing activities.

	• Children with SEMH needs supported by Learning Support Mentor. • All staff will access SEMH training throughout the year. • Pupil Premium children will be fully engaged in lessons and use self-regulation strategies.
Increase the attendance / punctuality rates for targeted Pupil Premium children.	• Attendance tracked and monitored by Attendance lead and Learning Mentor. • Learning Mentor to support families to increase attendance and support outside issues that may be hindering attendance. • Reduce the % of persistence attendance and lateness for Pupil Premium children. • Target – 95%
Improve speech and language skills for all children throughout school, especially on entry in Early Years.	• On entry to Nursery / Reception children will be screened using the Wellcomm materials to assess their language skills. • Children will receive specific intervention to develop speech and language skills and access Speech and language services quickly. • Speech and language interventions delivered throughout school following SALT advice.
Raise educational aspirations of Pupil Premium children and increase vital experiences to enhance learning and ensure they have high expectations for themselves.	• Raise aspirations through education pathway visits – high schools, colleges, universities and visitors from a range of careers. • Pupil Premium children have access to uniform to promote a sense of well-being and belonging. • School trips funded and after school clubs funded. • Visitors in school to enrich experiences.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £5,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Professional development and pupil progress meetings focused on internal data. When class teachers are aware of which Pupil Premium children did not make good progress and they can identify target children.	EEF- Individualised instruction. +4	1, 6
Continued professional development for teachers and Learning Support assistants to raise pupil outcomes: - Time to talk training - Speech and language training - Protective behaviour training - Specific subject leadership training - Zones of regulation training - Restorative Practice - SEND specific training	EEF guide to pupil premium – tiered approach – teaching is the top priority, including CPD.	1, 2, 3, 4, 5, 6

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £53,940

Activity	Evidence that supports this approach	Challenge number(s) addressed
Quality first teaching - Whole school White Rose and Power Maths scheme for delivery of Maths - Maths and English are high priority on the school	EEF guide to pupil premium – tiered approach – teaching is the top priority, including CPD. EEF - Feedback +6 EEF – Homework +5	1, 3, 4, 5, 6

development plan and CPD plan. • CLPE and Literacy Shed scheme for delivery of English and dedicated reading comprehension sessions. • Live marking and feedback • Pupil Progress meetings track progress of Pupil Premium children and timely interventions are put into place. • Homework	EEF – Reading comprehension +6	
Learning support assistants deliver same day interventions and weekly small group interventions to pupils identified.	EEF – Teaching Assistants interventions +4	1, 4, 5, 6
School Led Tutoring • After analysing cohorts we identified 20 children in Year 6 cohort. • 32 children to receive 15 hours 1:3 tutoring. Funded partially through school led tutoring – identified on census.	EEF - Tutoring +4	1, 3, 4, 5, 6

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £21,020.00

Activity	Evidence that supports this approach	Challenge number(s) addressed
Inclusion team to support the well-being of parents/carers and children. • Dedicated person in role, who builds a relationship where families trust them and listens to them leading to improved relationships with school and increased attendance. • Dedicated person who monitors attendance and offers support.	EEF - Parental engagement +4	1, 2, 4

Increased cultural, sporting and enrichment experiences promoted in the curriculum and through wider school experiences. • Learning is personalised and contextualised in concrete experiences and language rich environments. • Reduction in cost of trips and support for school uniforms. • Enrichment activities offer children a context for learning and a stimulus for learning.	EEF –aspiration interventions - awaiting evidence EEF – physical activity +1	1, 2, 3, 4
--	--	-------------------

Total budgeted cost: £79,960.00

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the **2020 to 2021** academic year.

Due to Covid-19, analysing internal progress has proved challenging due to being in lockdown last summer 2020.

Context; There were 43 children on the pupil Premium register, 24 have SEND needs and 11 are on the EAL register.

The focus on 2020 – 2021 centred on identifying gaps in learning and closing the attainment gap and supporting social, emotional mental health and well-being for our pupils following National Lockdowns. Their emotional well-being was constantly monitored and children were ready to learn, this is demonstrated through work in books and a reduction of ticks on the behaviour logs. Pupil Premium has an increased profile in school through whole staff awareness. Pupils were fully engaged in a wide range of trips and cultural experiences - see school website, SMB Noticeboard page on Facebook and @Stmattsblox on Twitter.

Through Speech and Language support, 96% children in the Early Years made good progress in Communication and Literacy and significant progress was made on Speech and Language support plans.

Pupil Premium attendance was 91.80% compared to 95.85% whole school attendance with 13 pupils meeting persistent absence threshold, therefore this is a target in 2021-2022.

Our Learning Mentor was a life line for families throughout the pandemic, supporting through being a listening ear, supporting with accessing food banks, food hampers, seeking benefits and offering well-being support as well attending multi-agency and safeguarding meetings to support the children and families.

Desired outcomes in 2020 - 2021

1	Accelerate progress to close the gap in literacy (reading and writing) attainment.	4% difference in expected progress to Non PP students, which the gap has stayed the same in reading and increased by 1% from Spring 2021 in writing. - Percent at ARE has increased from Spring, however still below 50% of PP students achieving ARE, this is still an area of concern.
2	Accelerate progress to close the gap in math's attainment.	- Expected and accelerated progress has increased with 80% making expected progress to Non PP students, which has increased by 29% from Spring 2021. - Percent at ARE has increased from Spring, however still below 50% of PP students achieving ARE, this is still an area of concern.
3	Staff will deliver high quality first teaching and use a variety of strategies to promote engagement and involvement of Pupil Premium children which will result in accelerated progress.	- High quality first teaching, internally monitored by SLT and MLT and externally monitored by Catherine Nyman on learning walks. - Learning walk focus on engagement and involvement of PP children resulting in accelerated progress especially in reading and writing (+6% to whole school progress in reading and +1% in writing)
4	Children with SEMH needs supported and ready to learn.	- SEMH needs supported well by Learning mentor and in class bubbles. Nurture support due to COVID-19, was in class support. - Behaviour incidents have significantly reduced from a total of 460 in Autumn term to 139 in Summer term.
5	Increase the attendance / punctuality rates for targeted Pupil Premium children.	94.3% whole school attendance in Summer term, 90.5% PP attendance, which has decreased in the summer term due to Covid-19 13 PP students, (22%) are persistent absentees – working closely with Deputy Head and Learning Mentor.
6	Improve speech and language skills for all children throughout school, especially on entry in Early Years.	- Sarah Wilson, Reception LSA attended Level 3 Time to talk training to support Early Years speech and language. - Increased percentage in Nursery working at ARE for CL. (90.5% - an increase of 15.7%) - Increased percentage in Reception working at ARE for CL – 93.2%, an increase of 30.6% - Progress is good – 96% making expected progress and 78% making accelerated progress.
7	Raise educational aspirations of Pupil Premium children.	- Limited due to Covid-19 restrictions and lockdown - Let's Count Day, Safer Internet Day, Chinese New Year, Empathy Week, World Book Day, Science day, Red Nose day, Easter, Wellbeing day,

St. Matthew's Bloxam C.E. Primary School

Pupil Premium Strategy Summary Statement Progress Review 2021 – 2022

At St. Matthew's Bloxam C.E. Primary School, we are committed to promoting the progress and attainment of all children, to ensure every pupil achieves to their fullest potential.

This details the impact that our pupil premium activity had on pupils in the **2021 to 2022** academic year.

Intervention / Initiative	Success criteria	Evidence and impact to June 2022
The gap between Pupil Premium children's attainment will decrease through accelerated progress to close the gap in literacy (reading and writing) attainment.	Strategies to help Pupil Premium children engagement and achievement in lessons reviewed regularly and staff reminded to maintain focus on Pupil Premium children. Accelerated progress in reading and writing. Average point's progress is at least 2.5 points or more per child per term. Gap is closed between Pupil Premium compared to all pupils in schools and nationally. Range of interventions to support Pupil Premium children. Use of CLPE and power of reading strategies. Pupil Progress meetings will have a focus on Pupil Premium children.	Small groups support across school – phonics, time to talk, reading, comprehension, writing focused interventions. Use of Power of Reading, CLPE and Literacy Shed to support reading and writing strategies. Reading volunteers in to support extra reading. Teachers and LSA's have baselined in class where children are and all making progress in class and in small group interventions as well as in class. Pupil Progress meetings had a focus on Pupil Premium, focusing on what support is in place and reasons why children not making expected progress. The area to focus on is writing as the gap to whole school progress is +3.31% and the attainment gap is -26%. Gap in attainment is still an area to address, with writing 30.28% at ARE, reading 39.1% maths 40% Progress is good and slightly above whole school, maths progress is good with +13.4% - 77.8% of PP children making expected progress.

		This is being addressed through quality first teaching, interventions, experiences to give children opportunities and reasons to write.
The gap between Pupil Premium children's attainment will decrease through accelerated progress to close the gap in math's attainment.	Strategies to help Pupil Premium children engagement and achievement in lessons reviewed regularly and staff reminded to maintain focus on Pupil Premium children. Accelerated progress in mathematics. Average point's progress is at least 2.5 points or more per child per term. Gap is closed between Pupil Premium compared to all pupils in schools and nationally. Range of interventions to support Pupil Premium children. Use of Power Math's / White Rose strategies. Pupil Progress meetings will have a focus on Pupil Premium children.	Small groups support across school – First class at number, timetables, number bonds and same day maths interventions. Use of Power Maths and White Rose strategies as a strength across the school to ensure consistency. Teachers and LSA's have baselined in class where children are and all making progress in class and in small group interventions and same day catch up. Pupil Premium progress is better than whole school progress in maths by 13.4%.
Staff will deliver high quality first teaching and use a variety of strategies to promote engagement and involvement of Pupil Premium children which will result in accelerated progress.	High quality first teaching delivered, using a variety of strategies for engagement and involvement. Lessons will involve modelling and teaching of self-regulative strategies. Pupil Premium children will be fully engaged in all parts of their lessons using their personalised strategies. Pupil Progress meetings shows identified children are making accelerated progress to close the attainment gap.	Informal lesson observations and drop ins by SLT and middle leaders showing high quality first teaching. Drop ins to subject specific lessons and subject leaders conducting drop ins evidenced high quality first teaching. Bowled over by Books with a focus on PP and PP children demonstrated pride in their learning and could talk about what they have learnt. Evidence in all areas of the curriculum showing engagement and involvement.
Children with SEMH needs supported and ready to learn.	Children with SEMH needs are supported to ensure they are ready to learn. Children with SEMH needs have access to Nurture Group or nurturing activities. Children with SEMH needs supported by Learning Support Mentor. All staff will access SEMH training throughout the year. Pupil Premium children will be fully engaged in lessons and use self-regulation strategies.	Positive learning environment and culture with reduced behaviour log incidents and calls to SLT for support. SEMH needs supported well by Learning mentor and in class, Reduction of behaviour log incidents for PP children – Autumn term 2 – 183 Spring term – 162 (reduction of 21)

Increase the attendance / punctuality rates for targeted Pupil Premium children.	Attendance tracked and monitored by Attendance lead and Learning Mentor. Learning Mentor to support families to increase attendance and support outside issues that may be hindering attendance. Reduce the % of persistence attendance and lateness for Pupil Premium children. Target – 95%	Whole School Attendance - 93.2% PP Attendance – 91.39% Attendance is being impacted by Covid-19, chicken pox and sickness. Deputy Head and Learning Mentor supporting attendance and supporting families to increase attendance and lateness.
Improve speech and language skills for all children throughout school, especially on entry in Early Years.	On entry to Nursery / Reception children will be screened using the Wellcomm materials to assess their language skills. Children will receive specific intervention to develop speech and language skills and access Speech and language services quickly. Speech and language interventions delivered throughout school following SALT advice.	JF – New EYFS TA Time to talk training – November 2021 CM / KC – speech and Language training – postponed, will be booked ASAP Specific interventions and support given following Speech and Language therapist advice.
Raise educational aspirations of Pupil Premium children and increase vital experiences to enhance learning and ensure they have high expectations for themselves.	Raise aspirations through education pathway visits – high schools, colleges, universities and visitors from a range of careers. Pupil Premium children have access to uniform to promote a sense of well-being and belonging. School trips funded and after school clubs funded. Visitors in school to enrich experiences.	Parents can claim up to £100 to support uniform costs and costs for trips. Careers week, Black History month, Cooking session, Artist visits, Marine society workshop, engineer talk, Author visit, engineering workshop, drumming workshop, residential, creaturama, circus.

Teaching Activity – Cost to date £5,000
Professional development and pupil progress meetings focused on internal data. When class teachers are aware of which Pupil Premium children did not make good progress and they can identify target children.
Continued professional development for teachers and Learning Support assistants to raise pupil outcomes: Attachment and emotion coaching – All staff Time to talk training – JF (Nov) Speech and language training – CM, KC (TBC - Postponed) Protective behaviour training – CJ (Nov) Specific subject leadership training
Targeted academic support Activity – Cost to date - £53,440
Quality first teaching, Maths and English are high priority on the school development plan and CPD plan. Live marking and feedback, Pupil Progress meetings track progress of Pupil Premium children and timely interventions are put into place. Homework
Learning support assistants deliver same day interventions and weekly small group interventions to pupils identified.
School Led Tutoring – started January 2022 All 15 hours offered by June 2022
Wider Strategies Activity – Cost to date - £40,000
Inclusion team to support the well-being of parents/carers and children. Dedicated person in role, who builds a relationship where families trust them and listens to them leading to improved relationships with school and increased attendance.

Dedicated person who monitors attendance and offers support.

Increased cultural, sporting and enrichment experiences promoted in the curriculum and through wider school experiences.

Learning is personalised and contextualised in concrete experiences and language rich environments.

Reduction in cost of trips and support for school uniforms.

Enrichment activities offer children a context for learning and a stimulus for learning.

Total budgeted cost to end of Summer term - £88,440

St. Matthew's Bloxam C.E. Primary School

Pupil Premium Strategy Summary Statement. 2022 - 2023

At St. Matthew's Bloxam C.E. Primary School, we are committed to promoting the progress and attainment of all children, to ensure every pupil achieves to their fullest potential.

Intervention / Initiative	Success criteria	Evidence and impact to July 2023
The gap between Pupil Premium children's attainment will decrease through accelerated progress to close the gap in literacy (reading and writing) attainment.	Strategies to help Pupil Premium children engagement and achievement in lessons reviewed regularly and staff reminded to maintain focus on Pupil Premium children. Accelerated progress in reading and writing. Average point's progress is at least 2.5 points or more per child per term. Gap is closed between Pupil Premium compared to all pupils in schools and nationally. Range of interventions to support Pupil Premium children. Use of CLPE and power of reading strategies. Pupil Progress meetings will have a focus on Pupil Premium children.	Small groups support across school – phonics, time to talk, reading, comprehension, writing focused interventions. Use of Power of Reading, CLPE and Literacy Shed to support reading and writing strategies. Reading volunteers in to support extra reading. Teachers and LSA's have baselined in class where children are and all making progress in class and in small group interventions as well as in class. Pupil Progress meetings had a focus on Pupil Premium, focusing on what support is in place and reasons why children not making expected progress. NTP used for Year 6. This is being addressed through quality first teaching, interventions, experiences to give children opportunities and reasons to write. <u>End of year 2021 – 2022 data –</u> Reading 44% at ARE, (-23% difference to whole school.) 78% making expected or better progress (- 14% difference to whole school.) Writing 39% at ARE (-19% difference) 84% making expected or better progress (- 6.7% difference)

		English is still an area to focus on, to continue to accelerate progress to raise% to ARE. <u>Autumn data 2022 -</u> The gap in attainment has reduced in reading by 15.1% from summer and the writing gap has reduced by 4% compared to Summer 22. The average gap has reduced by 15% compared to summer 22. Pupil Premium progress is good with an average of 83.8% achieving expected progress, with the gap average decreasing from -10% to -0.9%. Pupil Premium progress is better than whole school progress in writing by 4%. The gap in reading progress is -3%, which has reduced from summer 22 by 11% Progress and attainment is strongest in Reception, Year 1 and Year 6. The area to focus on is writing with 37.9% achieving age related expectations, however progress is strong with 91.4% making expected progress. <u>Spring data 2023</u> Reading The number of children who receive pupil premium are performing well and working above the whole school expectations with 77.8% are working at ARE compared to 58.6% whole school, which is 19.2% higher than the whole school. This is strong in Reception, Year 1, 4 and 5. Writing is an area of development and children who receive pupil premium are underperforming, with 43.7% working at ARE compared to 53.2% whole school, which is 9.5% below the whole school
--	--	---

		attainment. This is strong in Reception, Year 1, 5 and 6. Maths is just below whole school attainment, with 51.5% of children with Pupil premium who are working at ARE, which is 6.8% below whole school attainment. This is strong in Reception, Year 1, 2 and 6. We will be continuing with the pupil premium support following the pupil premium strategy to support this group of children, especially in writing and maths.
The gap between Pupil Premium children's attainment will decrease through accelerated progress to close the gap in math's attainment.	Strategies to help Pupil Premium children engagement and achievement in lessons reviewed regularly and staff reminded to maintain focus on Pupil Premium children. Accelerated progress in mathematics. Average point's progress is at least 2.5 points or more per child per term. Gap is closed between Pupil Premium compared to all pupils in schools and nationally. Range of interventions to support Pupil Premium children. Use of Power Math's / White Rose strategies. Pupil Progress meetings will have a focus on Pupil Premium children.	Small groups support across school – First class at number, timetables, number bonds and same day maths interventions. Use of Power Maths and White Rose strategies as a strength across the school to ensure consistency. Teachers and LSA's have baselined in class where children are and all making progress in class and in small group interventions and same day catch up. Children who receive Pupil Premium progress is better than whole school progress in maths by 13.4%. Progress is good and slightly above whole school, maths progress is good with +13.4% - 77.8% of PP children making expected progress. <u>End of Year 2021 – 2022 Maths Data –</u> 47% at ARE (- 18% difference, this is a reduction of 2%) 82% making expected or better progress (-9% difference) <u>Autumn 2022 data</u>

		The gap in attainment has reduced in maths from 5% in Summer 22. Pupil Premium progress is good with an average of 83.8% achieving expected progress, the gap in maths is -3.8% decreasing by 5% from summer 2022. Progress and attainment is strongest in Reception, Year 1 and Year 6. <u>Spring data 2023</u> Maths. Maths is just below whole school attainment, with 51.5% of children with Pupil premium who are working at ARE, which is 6.8% below whole school attainment. This is strong in Reception, Year 1, 2 and 6. We will be continuing with the pupil premium support following the pupil premium strategy to support this group of children.
Staff will deliver high quality first teaching and use a variety of strategies to promote engagement and involvement of Pupil Premium children which will result in accelerated progress.	High quality first teaching delivered, using a variety of strategies for engagement and involvement. Lessons will involve modelling and teaching of self-regulative strategies. Pupil Premium children will be fully engaged in all parts of their lessons using their personalised strategies. Pupil Progress meetings shows identified children are making accelerated progress to close the attainment gap.	Informal lesson observations and drop ins by SLT and middle leaders showing high quality first teaching. Drop ins to subject specific lessons and subject leaders conducting drop ins evidenced high quality first teaching and learning. Bowled over by Books with a focus on PP and PP children demonstrated pride in their learning and could talk about what they have learnt. Evidence in all areas of the curriculum showing engagement and involvement. Lessons involve modelling variety of strategies with a focus on vocabulary. Tier 3 vocabulary is an area of development and ensuring that children are answering questions in full sentences. Zones of regulation introduced from September 2022 to support self-regulation – this has started and will need to be revisited to ensure that children all fully understand the zones and strategies to support returning to being calm and ready to learn.

Children with SEMH needs supported and ready to learn.	Children with SEMH needs are supported to ensure they are ready to learn. Children with SEMH needs have access to Nurture Group or nurturing activities. Children with SEMH needs supported by Learning Support Mentor. All staff will access SEMH training throughout the year. Pupil Premium children will be fully engaged in lessons and use self-regulation strategies.	Positive learning environment and culture with reduced behaviour log incidents and calls to SLT for support. SEMH needs supported well by Learning mentor and in class, Reduction of behaviour log incidents for PP children – Autumn term 2 – 183 Spring term – 162 (reduction of 21) Summer term – 151 (reduction of 11) Zones of regulation training to whole school staff – September 2022, introduced to children Autumn 1. This is being embedded and needs to be continuously revisited and reminded so children are aware of how to self-regulate and return to being calm and ready to learn.
Increase the attendance / punctuality rates for targeted Pupil Premium children.	Attendance tracked and monitored by Attendance lead and Learning Mentor. Learning Mentor to support families to increase attendance and support outside issues that may be hindering attendance. Reduce the % of persistence attendance and lateness for Pupil Premium children. Target – 95%	<u>2021 – 20222</u> – Whole School Attendance - 90% PP Attendance – 90.5% Both below target. <u>Autumn term 2022</u> Whole school attendance – 92.3% PP attendance – 93.89% This has improved from previous years. <u>Up to March 2023</u> Whole School attendance – 93.9% Improving, just below target of 95% Attendance is being impacted by Covid-19, chicken pox, sickness, extreme weathers, fevers, strep A, Deputy Headteacher and Learning Mentor supporting attendance and supporting families to increase attendance and lateness. Monthly meetings to discuss attendance and then meet families with persistent absence or absence not improving. As well as discussions during parent / carer appointments and individual termly letters to all children. <u>July 23</u> Whole school attendance – 94.4%, PP attendance 94.6% above whole school attendance.
Improve speech and language skills for all children throughout school, especially on entry in Early Years.	On entry to Nursery / Reception children will be screened using the Wellcomm materials to assess their language skills. Children will receive specific intervention to develop speech and language skills and access Speech and language services quickly. Speech and language interventions delivered throughout school following SALT advice.	JF – New EYFS TA Time to talk training – November 2021 All EYFS staff – NELI trained CM / KC – speech and Language training – 2022 Time to talk and NELI interventions having a significant improvement to speech and language and understanding. New Speech and Language therapist started September 22, following a long vacancy. Specific interventions and support given following Speech and Language therapist advice.
Raise educational aspirations of Pupil Premium	Raise aspirations through education pathway visits – high schools, colleges, universities and visitors from a range of careers.	Parents can claim up to £100 to support uniform costs and costs for trips.

children and increase vital experiences to enhance learning and ensure they have high expectations for themselves.
