

WC: 10th March 2025

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	We have continued with the book The Secret Sky Garden. This week, the children have written an introduction, build-up, and ending that create tension and suspense. They also wrote the climax, resolution, and ending of their narrative.
Maths	This week we have concluded learning about place value within 50. They have been finding 1 more, 1 less, and estimating up to 50 using a number line and completed the end of block assessment.
Science	We are continuing with the theme 'animals including humans.' This week the children have been learning about the life cycle of humans.
