

WC: 17th March 2025

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	We have concluded with The 'Secret Sky Garden'. This week, we have started a new book called 'The Rabbit Problem'. The children have written a prediction, discussed what a family looks like, drawn their family, and labeled the picture. Also, the children have written an inference about the character's feelings.
Maths	This week, we started a new topic 'length and height' The children have been learning to compare lengths and heights. They measured length using objects, and measured length in centimetres. They completed the end-of-block assessment to end the topic.
Science	We are continuing with the theme 'animals including humans.' This week as it is science week. The children had a range of activities in different classrooms across the school.
Homework tasks	
Remember to keep reading every day!	Record your reading here:
	
Practice spellings Adding the suffixes '-ing' and '-ed'	
Diary dates: Parents' evening is on Monday 24th March and Wednesday 26th March. Thank you so much for your continued support in bringing your homework books into school and supporting your children with their learning.	

Our PE day are Mondays and Wednesdays this half term. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Franklin, and Mrs. Clarke.
