

Week 2 – 13.11.23 to 17.11.23

Welcome to our home school communication! Each week you will get an over view of the class learning and will be set some home tasks too. Home school communication books should be returned to school on a **Wednesday**.

Please find below the summary of our week in school.	
Our learning...	This week, it has been all about Diwali, we learnt all about how Diwali is celebrated, we read the Diwali story and acted it out. We sequenced the story and talked about what happened in the story. We made divas and learnt all about why Diwali is the festival of lights. We tasted different food that is eaten during Diwali. We found out all about Children in need charity and how they help lots of children. As it has been very windy, we made kites to fly outside and we have created ragnoli patterns outside.
Phonics	This week we introduced new sounds – h, b, f, ff, l, and ll and then we reviewed all the previous sounds. In class, we have read "Peg it Up" and "Little Blending Book."
Maths	We have been focussing on one more and one less and we have been signing lots of number songs including 5 little speckled frogs, 5 little men in a flying saucer and 5 currant buns in a bakers shop.
Home learning	Please log onto your Oxford Owl and share the books on there. If you are having difficulties getting onto this, please ask. We have been reading different books in class together.  Please practise one more and one less on the trucks. Thank you
