

1st – 4th December

The children have continued to practice their nativity in preparation for their performances next week. Thank you for supporting the children to learn their lines, please continue to do so. The children will have spellings, which will be tested on a **Friday**, a maths activity and reading. Home school communication books should be returned to school on a **Wednesday**.

English	This week, the children have researched a history maker from our history topic for this half term. They worked in small groups to produce a profile about the history maker and presented it to the rest of the class. Next week, we will write a re-telling of the nativity story.
Maths	We have been finding vertical lines of symmetry and completing drawings of shapes using symmetry. We have also been grouping and sorting 2D shapes. Next week, we will focus on 3D shapes.
