

Week beginning 9th September 2024

Please find below the summary of our week in school.		
English	We have started with a book called 'The dot.' The children have made predictions of what the story will be about.	
Maths	We have been learning about different ways to sort objects by size, colour, shape, or type. We have been counting objects, counting forwards and backward and finding one more.	
Science	We have started learning all about the four seasons and what happens in the different seasons.	
Geography	Our theme is 'how does the weather affects our lives'? We have looked at maps. The children have drawn the map of their classroom.	
In the Year 1 class provision	We have really enjoyed role-playing in our home corner, drawing, and reading stories in our book area. We have explored our new outdoor learning area and have been playing various games.	
Remember, to keep reading every day!		Please record reading here:
<u>Home Learning</u> As per Geography theme, please can you provide a photograph of your street and put it in your homework book.		
<u>Diary Dates –</u>
