

WC: 7th October 2024

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	In the coming weeks we will continue with the book 'The Bee Who Spoke'. This week the children have explored a character through role play, and listed items that they would put in their backpack for an adventure.
Maths	We have continued learning about addition and subtraction within 10. This week the children have learning about fact families (for example $4+2=6$, $2+4=6$, $6=4+2$ and $6=2+4$). Following on from this, the children created number sentences.
Science	We have continued learning all about the four seasons. This week we are looking at seasonal changes and observing scientifically. We have created charts to measure the date, weather, temperature and rainfall. Next week we will evaluate our results.
Homework tasks	
Remember to keep reading every day!	Record your reading here:
	
Please complete the worksheet on Fact Families.	
Diary dates:	

PE will be on Mondays and Wednesdays. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Franklin and Mrs. Clarke,
