

WC: 14th October 2024

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	In the coming weeks we will continue with the book 'The Bee Who Spoke'. This week the children are learning about non-fiction. They have learned about bees and created an information leaflet all about bees.
Maths	'Addition and subtraction within 10'. This week the children have been introduced to systematic number bonds within 10 (for example $0+10=10$, $1+9=10$ and $2+8=10$ and so forth). The children have used ten frames and counters to demonstrate this and written their calculations on a white board.
Science	We have continued learning all about the four seasons. This week we are making observations on what the weather is like each day. We have been recording on the chart to measure the date, weather, temperature and rainfall and evaluated our results. We found Tuesday 15 th October was the warmest day and Sunday 13 th October was the coldest day.
Homework tasks	
Remember to keep reading every day! 	Record your reading here:
Phonics activity mat. Please continue to practise phase 2 , 3 and phase 5 sounds.	
Diary dates:	

PE will be on Mondays and Wednesdays. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Franklin and Mrs. Clarke,
