

WC: 20th January 2025

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	This week, we concluded with the book The Emperor's Egg. The children wrote a non-chronological report, following the plans and adding details.
Maths	We have continued learning 'place value within 20.' We have been understanding numbers up to 20. The children have been learning 1 more and 1 less, using the number line, estimating a number line to 20, comparing numbers to 20, and ordering numbers to 20.
Science	Our theme is animals including humans. This week we explained what herbivores, omnivores and carnivores eat. We identified what different animals eat and sorted animals into the diet groups they belong to.
Homework tasks	
Remember to keep reading every day!	Record your reading here:
	
Can you spot any different birds in your garden, or out of your window? Can you spot any of the different birds on the bird spotter sheet? Can you record where you saw them?	
Fill in the missing number on the number line.	
Diary dates: Please join us for our celebration assembly on Friday 31 st of January 2025 at 9 AM. Thank you so much for your continued support in bringing your homework books into school and supporting your children with their learning.	

Our PE day are Mondays and Wednesdays this half term. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Franklin, and Mrs. Clarke,
