

WC: 27th January 2025

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	This week, we have started a new book 'The Snail and The Whale.' The children have used the conjunction 'Because' to explain why. Also, they have written a persuasive note as to whether the snail should go with the whale. To conclude the week, the children have written a journal in the role of the snail.
Maths	We have concluded learning place value within 20. We have been comparing and ordering numbers to 20. We will be starting a new topic.
Science	Our theme is animals including humans. This week the children have been learning about our five senses.
Homework tasks	
Remember to keep reading every day!	Record your reading here:
	
Practice the words on this list using look, say, cover, write, and check.	
Diary dates: NSPCC number day is Friday, February 7th. This year, the children would like to see which class can make the tallest tower of coins (or multiple towers if there are lots of donations!). Any spare change, please send it with your child. Thank you for joining us for the celebration assembly. The children have been very busy learning this term and were delighted to share their learning with you. Thank you so much for your continued support in bringing your homework books into school and supporting your children with their learning.	

Our PE day are Mondays and Wednesdays this half term. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Franklin, and Mrs. Clarke,
