

Week 8 – 8.4.24 – 12.4.24

Each week you will get an over view of the class learning and will be set some home tasks too. Home school communication books should be returned to school on a **Wednesday**.

Forest school on Wednesdays. PE is on **FRIDAY**. Please come to school on Friday in your PE kit – black jogging bottoms / shorts, white t-shirts, plain black or school hoodie and trainers.

Please find below the summary of our week in school.	
Our learning...	This week we have been exploring non-fiction, information books all about animals. We have created our own class book with fact files and information about animals. We have been learning all about where animals live and what they eat. We have been drawing, painting and chalking pictures of different animals. We enjoyed sharing our news from home. We have enjoyed being outside and building insect hotels. On Thursday, we loved Ninja Warrior with Jonny Urszuly, the children enjoyed the obstacle course especially the swinging challenge.
Phonics	We have been using our phonics to write labels and captions. We have been writing our harder to read and spell tricky words. We have been reading and writing sentences in phonics. We have read Fix it and Den in the Woods.
Maths	We have been comparing and representing numbers to 20. We have used counters and dominos to help us. We have been using cubes to show different ways to make 20, thinking about numbers having tens and ones i.e. 17 is made of 1 ten and 7.
Home learning	 Please log onto your Oxford Owl and share the books on there. Can you count the animals and write the numbers?
