Our learning...	On Monday, we celebrated National Earth day. We learnt about how we can help our planet and we went around the school field litter picking. For the rest of the week, we used the 3 little pigs to guide our learning. We have worked very hard writing the story, we have written the beginning and the middle of the story, we have labelled pictures and we have enjoyed using bubbles outside. We were brilliant during our fire drill on Thursday. On Friday, as a whole school, we had a geography and modern foreign language day and in Reception, we were learning all about Spain. We made Spanish flags, tried some Spanish foods including olives, cheese, chorizo and we looked at different countries on a map. We also learnt some Spanish words.
Phonics	We have been reading words with 'ed' at the end. We have read the books "Test it" and "The Big Picture"
Maths	This week, we have been adding and subtracting. We used the story Mr Gumpy's outing to help us. We have been shopping in the baker's shop thinking about how many cakes have been sold and how many are left.
Home learning	 Please log onto your Oxford Owl and share the books on there. Please complete the caterpillars with the missing numbers.
