

Week 10 – 7.5.24 – 10.5.24

Each week you will get an over view of the class learning and will be set some home tasks too. Home school communication books should be returned to school on a **Wednesday**.

Please remember **PE** has swapped from a Thursday to a **FRIDAY**. Please come to school on **Friday** (not a Thursday) in your PE kit – black jogging bottoms / shorts, white t-shirts, plain black or school hoodie and trainers.

Please find below the summary of our week in school.

Our learning...	This week, we have been using the story "Poo in the zoo" to guide our learning. On Tuesday, we explored poo (chocolate playdough with egg shell, sticks and grass) to see who it belonged to – herbivore, carnivore or omnivore. We wrote a job description for a zoo keeper and enjoyed making a zoo with teddies. We have been creating animal pictures with chalk and charcoal. We read a book about African animals and started to learn how to count in Swahili. In PE, we have been playing lots of team games.
Phonics	We have continued learning new harder to read and spell words. We have been using our phonics to write labels and captions. We have read the "Cora the little crab".
Maths	This week, we have been learning about shapes. We have been rotating them and making pictures.
Home learning	 Please log onto your Oxford Owl and share the books on there. Please count the transport pictures and write the number down. 1-20 Transport Counting Activity 

Forest school

As the weather improves, the children are welcome to wear a pair of old trainers and some home bottoms e.g. leggings or tracksuit bottoms. The children have fun climbing and it is easier to climb in trainers and not their wellies. The children could bring these items to school and leave them on their peg. We mostly do forest school on Wednesday however we do sometimes change days.

Many thanks, Mrs Hancock, Mrs Francis & Mrs Hartwell
