Please find below the summary of our week in school.	
Our learning...	At the beginning of the week, we used 'Tiddler' to guide our learning. We talked about the book, shared the story and wrote captions. We also did some extra sports day practise and went out to forest school. Following our lovely trip on Wednesday, we wrote about what we did and our favourite part of our trip.
Our trip to Conkers	We had a fantastic time on our school trip to Conkers, we went on the coach and when we arrived, we had a biscuit. Then we went on the train to the park and we loved climbing and exploring and using the zip wire. We went back on the train. After that, we went on a bare-foot walk, where the children if they wanted to do, could walk bare-foot through water and over logs, straw, mats and stones. They didn't like the stone ones!! We watched a short but brilliant 4D cinema show (where the children did get squirted by water!) We had our lunch outside by the lake and the geese kept trying to come over to see us! We then went in the soft play jungle explorers' zone. We have put the pictures on our class page on the school website. https://www.st-matthewsbloxam.co.uk/ All the children were amazing, their behaviour was fantastic and they were all super-stars! We are very proud of them all.
Phonics	We have introduced the children to split digraphs – a_e, e_e, i_e & o_e. We used the story Good spot and Blending book 21.
Maths	This week, we have continued learning the number bonds to 10 and doubles to 10.
Home learning	 Please log onto your Oxford Owl and share the books on there. Please complete the number bonds sheet. Thank you
