Please find below the summary of our week in school.	
Our learning...	This week, we have been continuing using our story Tiddler to guide our class activities. We have been writing independently and creating animals' homes. We have been enjoying the hot weather and playing with the water outside. We loved making pizzas and then eating them for snack time. On Friday, we joined in with the sponsored run and ran around school, raising money for playground equipment. All the children were amazing during sports day, they all joined in brilliantly and took part in all the races and were fantastic sports people!
Phonics	We have continued practising the split digraphs we learnt last week and have introduced – u_e. We have read the books "Blending book 23" and "A pet hamster".
Maths	This week, we have been learning about patterns. We have used the book 'Pattern Fish by Trudy Harris'. The children have been making their own pattern rules.
Home learning	 Please log onto your Oxford Owl and share the books on there. Stripy Scarves Repeating Patterns Complete the sequence below. Please complete the stripy scarves patterns.
Diary dates – Friday 5th July – Reception celebration assembly and stay and play Friday 12th July – PaFoS funded trip!
