

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too. From this week, the children will have spellings, which will be tested on a **Friday**, a maths activity and reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.		
English	This week, we have been finding out about explanation texts and their features. We then planned and wrote our own explanation text to explain the life cycle of a chicken. On Thursday it was poetry day. Year 2 recited a poem to the rest of school, Miss Cartledge and Mrs Stock are very proud of how well the children performed their poem!	
Maths	We have been recapping counting in 2s, 5s and 10s this week. We have also learnt how to count in 3s! We have started to learn about addition and subtraction now too. Next week, we will continue to learn about addition and subtraction.	
Science	This week, we visited the chicks and even got to hold them! We made a diagram to show the lifecycle of a chicken. We sketched the chicks and labelled them. Next week, we will start to think about what humans need to stay healthy.
