

WC: 25th November 2024

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website – <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	We have started a new book, 'Man on The Moon'. This week the children have asked questions to aid their understanding through exploring illustrations. They created a role on the wall and described a character and setting. The children discussed and recorded their ideas and put the events of Bob's day in order, from waking up in the morning to going to sleep at night.
Maths	This week we have continued with shapes. We have sorted 3-D shapes and identified them by name.
Science	We have continued with the topic 'everyday materials.' The children identified which materials have certain properties and wrote what the objects are made from.
Homework tasks	
Remember to keep reading every day!	Record your reading here:
	
As a mathematician... Can your child spot some 3-D shapes and name them on your way home and around your house?	
Diary dates: Thank you for coming to our celebration assembly. Nativity costumes sent into school in a named bag by 2nd December. Christmas fair after school on 2 nd December. Please join us for our nativity on Monday 9th December at 1:30 pm and Tuesday 10th December at 9:30 am.	

Our PE day is a Monday this half term. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Franklin and Mrs. Clarke,
