

WC: 9th December 2024

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website – <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	We have continued with the book, 'Man on The Moon'. This week the children have explored a range of advertisement posters and identified their features. They discussed which posters were the most effective and why. The children discussed and planned ideas for their poster, persuading tourists to visit the moon, and created their advertisement poster.
Maths	This week we have been consolidating what we have learned so far. We have revisited number bonds to ten and number sentences. (5+4=9)
Science	We have concluded with the topic 'everyday materials.' This week we sorted objects by their properties.
Homework tasks	
Remember to keep reading every day!	Record your reading here:
	
As a mathematician... Can you please help the children practice their number bonds to 10.	
Diary dates:	
Thank you for coming to our Christmas performance. The children were amazing and made us very proud. They worked hard to learn the songs and their words. Thank you for sending in their costumes. We appreciate your support.	
On Wednesday the 18 th of December, we will have a class party in the afternoon. If you are able to, a contribution towards drinks and snacks of 50p or more would be greatly appreciated.	
On Thursday, December 19 th (9 a.m.), we are also going to church for the morning service. If you are free, we need helpers to walk with the children to and from church. Please let the year 1 team know.	

Our PE day is a Monday this half term. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Franklin and Mrs. Clarke,
