

4th – 8th May

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**. Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/>. There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.		
English	This week, we have a new book, 'Prince Cinders.' The children have written a prediction of what they thought the book could be about and who the characters might be. Next week we will continue this book.	
Maths	We have started a new topic on 'Fractions.' The children have been recognising and finding the half of an object or a shape. Also, recognising and finding half of a quantity. Next week, we will continue learning fractions.	
Science	We have continued with our new theme, 'plants'. This week, the children identified and named some common garden and wild plants. We looked in our school grounds for some wild plants and in the allotment for some garden plants. Next week, we will continue learning about plants.
