

Week 5 – 2.2.25 – 7.2.25

Each week you will get an over view of the class learning and will be set some home tasks too. Home school communication books should be returned to school on a **Wednesday**.

Forest school on Wednesdays. PE is on Thursdays.

Please find below the summary of our week in school.	
Our learning...	This week has been National Mental Health week. The theme has been "know yourself, grow yourself". We talked about what makes us happy and how we can make others happy. In the classroom, we focussed on being kind and helping our friends. We had a couple of visitors this week, a dentist and a paramedic. We learnt about their jobs and how they help people. They showed us how to brush our teeth and how we should be doing it for 2 minutes!
Phonics	We have learnt some new sounds – ai ee igh oa. We read "Stop the train & Get fit with the fun bunch".
Maths	We continued counting and finding more / less. We looked at part / part = whole. We have begun exploring odd / even and making doubles. As part of number day, we enjoyed making coin towers.
Home learning	Go on a number hunt around your home. What numbers can you see? Make a list.
Next week	We will be taking part in a balance bike training scheme. A PE teacher from Harris Secondary school is coming to help.

Please remember to visit the school website for the photos. [Reception class page](#)

Remember to log into Oxford Owl to read the books we share in school. [Reading books](#)
