

We cWeek 7 – 14.10.24 to 18.10.24

Welcome to our home school communication! Each week you will get an over view of the class learning and will be set some home tasks too. Home school communication books should be returned to school on a **Wednesday**.

Please find below the summary of our week in school.	
In the Classroom...	This week, we have been learning all about colours. We enjoyed doing Danny go's colour dance, mixing lots of paint and sorting objects by colour. The children worked hard to manipulate the plasticine into long / short worms. We carried on making repeating patterns with pears in different coloured paint. We enjoyed mixing and cooking our biscuits – we hope they enjoyed them! We told the children the Gingerbread man story and we enjoyed painting them.
Outside the classroom...	We had fun finding worms for Year 3. We learnt that tipping soapy water on the mud encouraged the worms to come to the top! At forest school, we made a see-saw from a blank of wood and built an obstacle course with some smaller logs.
Phonics	This week we introduced new sounds – ck, e, u & r. We read the book 'Magnus is stuck' and "Blending book 4." We have been segmenting words into sounds and blending them to help us spell and read new words. We learnt that a sound with two letters – ck, ss, ff is called a diagraph.
Maths	We have been learning to subitise. This means being able to look at a small number of objects and instantly recognise how many objects there are without needing to count. We have found one more and one less than a number.
Home learning	Can you read the words and draw a line to match it to the correct picture? Draw a line between the pictures and the matching letters. socks pen cup rat 

Please remember to visit the school website for the photos. [Reception class page](#)

Remember to log into Oxford Owl to read the books we share in school. [Reading books](#)
