

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**.

Please visit our class page on the school website at <https://www.st-matthewsbloxam.co.uk/>. There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.	
English	We have continued with the book, 'Beegu'. This week we have explored a character's thoughts and feelings, created and described a character using adjectives. Also, we have produced a 'Lost' poster of Beegu, adding labels and a short paragraph using a range of adjectives. We will continue learning this text of Beegu next week.
Maths	This week, we have continued to look at addition and subtraction number problems. We have explored subtraction - find a part, fact families - the eight facts, subtraction - take away/cross out (How many left?) We worked out mathematical problems practically using maths resources within our classroom and recorded this on whiteboards. We will continue learning addition and subtraction next week.
Science	We have continued with our topic, 'everyday materials'. This week, we have identified and named different materials. The children have matched, labelled and written the names of the materials. Next week, we will continue learning about everyday materials.
Homework tasks	
Remember to keep reading every day!	Record your reading here:
	
Look at the picture. Say the word. Join the letters to build the word. Write the word in the boxes.	
Diary dates:	

This half term, PE will be on **Tuesdays and Wednesdays**. Children should come to school in their PE kit. We are just having one PE lesson this half term due to nativity rehearsals. However, children should still come in their PE kit on those days. We will send out more information about the nativity in the near future.

Many thanks,

Mrs. Whitell, Mrs. Jones, and Mrs Watts
