

16th – 20th March.

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too, including reading. Home school communication books should be returned to school on a **Wednesday**. Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/>. There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.		
English	We have concluded with the 'Secret Sky Garden'. This week, we have started a new book called 'The Rabbit Problem'. The children have written a prediction, discussed what a family looks like, drawn their family, and labelled the picture. Also, the children have written an inference about the character's feelings. Next week, we will continue with the Rabbit problems.	
Maths	This week, we started a new topic, 'length and height'. The children have been learning to compare lengths and heights. They measured length using objects, and measured length in centimetres. They completed the end-of-block assessment to end the topic. Next week, we will start learning about a new topic, 'Mass and volume'.	
Science	We are continuing with the theme 'animals, including humans. This week, the children have identified which group an animal belongs to. Next week, we will continue learning about animals, including humans.	
Homework tasks		
Spellings:		
	Copy	Check
Record your reading here		Practice the alien words and find the diagram and circle it. Continue practising numbers to 50.
		Diary Dates.

If you would like to email anything to us, please use admin3213@welearn365.com and put it to the attention of Year 1.

Thank you so much for your continued support in bringing your children's homework books to school and for helping them with their learning.

This half term, PE will be on **Tuesdays and Wednesdays**. Children should come to school in their PE kit.

Many thanks,

Mrs. Whitell, Mrs. Jones, and Mrs Watts
