

12th January - 16th January

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too. **The children will have spellings, which will be tested on a Monday**, (sorry, last week I put Friday by mistake! I'd gone back in time!) times tables practise, reading & a reading comprehension sheet. Home school communication books should be returned to school on a Wednesday.

Tuesday & Thursday - PE days. Please come to school in PE kits.

Please can you make sure your child wears school shoes on uniform days. If you are experiencing difficulties with this, please speak to Mrs Timson on the playground.

Please find below the summary of our week in school.			
English	We introduced our new spellings – the spelling rule is the suffix 'ly'. We continued using Oliver & the Seawigs; we read some pages and discussed the new vocabulary, we looked into Oliver's character and wrote a note being Oliver.		
Maths	We have continued learning about multiplication & division. This week, we have done the 4's & 8 times table.		
Other subjects	In Geography, we identified the features of a city, town and village. In Science, we looked at where light sources come from. We updated our Draw with Rob self portrait. The children compared the new pictures to the old ones. We have begun to practise our songs for the play and held auditions for the parts in the play.
