

Week beginning 25.09.2023

Please find below the summary of our week in school.	
English	We have started with a book called 'The Bee Who Spoke'. The children looked at the front cover, explored key questions and predicted what the story will be. They worked as a group to write – 'At the Window' poem.
Maths	We have been learning to compare numbers. We have been finding numbers that are less than, greater than and equal to. They have looked at the symbols ($\leq$ $\geq$ $=$) and finding fewer, more and the same.
Science	We have continued learning all about the four seasons and what happens in each one. The children described the change of weather in different seasons. They matched the months to the season.
Geography	Our theme is 'how does the weather affect our lives'? This week the children looked at how artists in their paintings illustrate elements of the weather. How the artist also makes the observer almost feel, smell and hear the atmospheric conditions depicted. The children then painted their own illustrations.
In the Year 1 class provision	We have really enjoyed role-playing in our home corner, drawing, and reading stories in our book area.
Remember, to keep reading every day! 	Please record reading here:
<u>Home Learning</u> Please practice Greater Than or Less Than.	
<u>Diary Dates –</u>	

Many thanks from Year 1 team.
