

Week beginning 16.10.2023

Please find below the summary of our week in school.		
English	In the coming weeks we will continue with the book 'The Bee Who Spoke'. This week the children are learning about non-fiction. They have learned about bees and created an information leaflet all about bees.	
Maths	'Addition and subtraction within 10'. This week the children have been introduced to systematic number bonds within 10 (for example $0+10=10$, $1+9=10$ and $2+8=10$ and so forth). The children have used ten frames and counters to demonstrate this and written their calculations on a white board.	
Science	We have continued learning all about the four seasons. This week we are making observations on what the weather is like each day. We have been recording on the chart to measure the date, weather, temperature and rainfall and evaluated our results. We found Monday was the coldest day.	
Geography	Our theme is 'how does the weather affect our lives?' The children had a wonderful experience from a guest teacher David Weatherly who taught them about rivers. The children listened to a story and then matched a picture of the real river to the picture in the book. After that, the children sequenced the river's course from the spring to its mouth.	
In the Year 1 class provision	We have really enjoyed role-playing in our home corner, drawing, and reading stories in our book area.	
Remember, reading day!	 to keep every	Please record reading here:
Home Learning- Phonics activity mat. Please continue to practise phase 2 and phase 3 sounds.		
Diary Dates – Thank you for coming to our celebration assembly and looking at your child's work. We have a daily tuck shop in our dining hall at breaktime which sells biscuits, raisins, juice, milkshakes etc. Prices range from approximately 50p to £1. However, this is optional as all students in KS1 are offered fresh fruit on a daily basis and water is always accessible. Please make sure any money sent into school should be in a named envelope. Every Thursday AFTER SCHOOL there is a tuck shop run by PAFOS which sells crisps, sweets etc. Please do not send money into school for the after-school tuck shop. Many thanks from Year 1 team.
