

23rd to 27th September

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too. From this week, the children will have spellings, which will be tested on a **Friday**, a maths activity and reading. Home school communication books should be returned to school on a **Wednesday**.

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/> There are lots of photographs showcasing all our amazing work.

Please find below the summary of our week in school.		
English	This week, we have started to read The Day the Crayons Quit. We have made predictions, we looked at the reasons each crayon quit and have been thinking about persuasion. We have also been learning about the use of apostrophes for contractions. Next week, we will continue to read our new book.	
Maths	We are still learning about place value in maths. We have continued to flexibly partition numbers. We have also been finding numbers on a number line. Next week, we will continue to learn about place value.	
Science	This week, we went on a minibeast hunt outside. We found out about microhabitats and recorded the number of creatures living in the microhabitats around school. Next week, we will continue to learn about microhabitats and we will make a graph to show our findings from this week.	
Homework tasks		
Spellings – the /j/ sound spelt 'g'.		
Spellings	Copy	Check
gem		
gym		
giant		
magic		
giraffe		
energy		
digit		
engine		
religion		
gentle		
Record your reading here	Maths	
	Missing numbers on a number line worksheet.	

If you would like to email anything to us, please use admin3213@welearn365.com and put it to the attention of Year 2

We appreciate your continued support from home.

Many thanks,

Miss Cartledge, Miss Longstaff and Mrs Clarke.
