

Sorry to hear that there was a lot of illness over the week off. Hope everyone is feeling better!

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too. The children will have spellings, which will be tested on a Monday, times tables practise and reading. Home school communication books should be returned to school on a Wednesday.

PE kits on Tuesday and Thursday.

Forest school on **Wednesdays.**

Please find below the summary of our week in school.	
English	We did our spelling lesson on Monday. Our rule this week is the prefix – 'dis'. For the rest of the week, we focussed on rhyming words and alliteration. This was preparing us for writing our own rhyming poem about Bonfire night / fireworks.
Maths	We have moved onto column addition / subtraction.
Other subjects	In RE, we introduced our new big question – "Can religion & worldviews be shared with other people through art & architecture?". In Science, we introduced our new topic 'forces & magnets'. We took this theme to Forest School, where we played tug of war, used the parachute, played with a giant Jenga & identified other activities that used force. We also had a great time exploring the new steaming pile of wood chippings. In PSHE, we talked about our families being different. In Pe, we had a fun session with our cricket coach. In History, we introduced our new theme Iron Age.
