Please find below the summary of our week in school.	
English	Mrs Timson taught our spelling lesson on Monday. Our rule this week is the prefix – 'mis'. We are using a new book "The café in the woods" to guide our learning. We read the book, explored the pictures / pages and shared our thoughts. We focussed on expanded noun phrases, looking at extra detail to our writing.
Maths	We have continued or work on column addition / subtraction.
Other subjects	In Art, we introduce the artist David Hockney & explored some of his images. We decided what we like / disliked. In Science, we conducted a force investigation and recorded our findings in a table. We learnt all about Remembrance Day and created some beautiful poppy pictures. We had great fun scootering with Terry on Wednesday. We enjoyed doing some fun Children in Need activities on Friday.
Homework	The children requested to be asked to make a poppy for their homework. Could they make a red, purple or white poppy? This could be a model or simply a picture.
