

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too. The children will have spellings, which will be tested on a Monday, times tables practise and reading. Home school communication books should be returned to school on a Wednesday.

Please find below the summary of our week in school.	
English	We started the week with our spelling lesson, the rule this week is 'ei' & 'eigh'. This week, we have been re-writing the Nativity through the eyes of the donkey.
Maths	We have moved onto multiplication and division. We solved multiplication and division problems, using our timestable knowledge. We looked at how arrays help solve our questions. e.g. $3 \times 5 = 15$ $5 \times 3 = 15$ $15 \div 5 = 3$ $15 \div 3 = 5$ 
Other subjects	In Science, we conducted an experiment to see how strong different magnets are. We had to measure how far the magnets pulled the paperclip. We did a Christmas Draw with Rob. Our RE lesson was all about dancing. We enjoyed our last forest school session and some children completed a Christmas orienteering course. We have been practising our song Rudolph the red nose reindeer.
