

Please find below the summary of our week in school.

English	In English, we identified adjectives and adverbs from the story and used these to write a descriptive paragraph about Kevin. We also wrote a set of instructions on how to plant onions. Our spelling rule this week are homophone words – words that sound the same but spelt differently.
Maths	We have started learning about mass. We have been converting kg/g.
Other subjects	In Geography, we looked at the world climates and identified what the climate was in a certain country. In Science, we draw a table to track the growth of our onions. Reminding ourselves what plants need to grow. In Spanish, we looked at how to ask for fruit & vegetables. In RE, we have continued to learn why Christians celebrate Pentecost.
