

Please find below the summary of our week in school.

English	In English, we played a rhyming word card game, found the rhyming words in the story and added our own word. We wrote a different ending for Kevin the Koala. Our spelling rule this week are challenge words.
Maths	We continued learning about mass. We have been adding / subtracting mass problems.
Other subjects	In Geography, we looked at the annual rainfall across the world. In Science, we made a pollination process poster. In Spanish, we continued asking for fruit & vegetables in a polite way. It's so pleasing to see the children make great progress with at swimming, we only had a t-shirt and a towel left in the changing room this week! In RE, we looked at the Lord's Prayer. Schools have been sent a railway safety video that we shared and talked about.
