

18th - 21st May

Please find below the summary of our week in school.

English	In English, we wrote questions for Kevin the Koala. Our spelling rule this week is the suffix 'sion'
Maths	We have been learning about capacity - reading scales, comparing amounts and solving problems.
Other subjects	In Geography, we looked at photos of climates, animals and plants. We read the description and matched them to each other. We went out to forest school and enjoyed making mud cakes, creating a parkour course, finding snails, spinning and swinging! We took part in our sponsored run – thank you for the sponsor money. Greatly appreciated. Today we enjoyed the animal encounter. Thank you PAFOS for providing this experience for the children.
Spellings – 'sion' words	
Please can you put these words into alphabetical order, or put them into sentences or write the definition of the word.

A10

Grandad didn't want to let me drive the dodgem car at the fair. By the way he shouted and punched the air, I think he had a good time!

Who is the man in the dodgem?

Where are they?

What two things did Grandad do in the dodgem car?

Did Grandad want the boy to drive?

Write a thought bubble for Grandad in this picture, explaining how he is feeling.

Next half term - we continue to swim on a **Monday**. PE will be on a **Thursday**. Please wear PE kits on these days. On all other days, please wear school uniform including school shoes. Please can you check your child's hair over the half term. Have a lovely week off!! Take care & have fun! Happy half term!!!
