

29th June to 3rd July

Please find below the summary of our week in school.

English	We have been revisiting some of our spelling words. We have continued to collect information to write an animal fact file. We have nearly read all of our book The Wild Robot.
Maths	We have been learning about time. Please practise at home, looking at the clock and telling your grown-ups what time it is.
Other subjects	On Monday, we had a lovely lady come and talk to us about how we can help older people in our houses. The title was called "When Granny came to visit". Again, we had a great swim session. We did some sports day practise, actual sports day and watched the Year 5/6 play. In RE, we continued our discussion on Reconciliation; looking at the Lords Prayer.

The coral reef was even more beautiful than I had imagined. Friendly fish gathered around me as I swam through the crystal clear waters.

Where is the woman swimming?

Which two words describe the water?

Which word tells you that the fish will not hurt the woman?

What verb could replace "gathered" in this text?

How do you know that the woman had thought about the coral reef before this swim?

Please go to our class page on the school website - <https://www.st-matthewsbloxam.co.uk/>.

If you're unsure about anything, please ask. We appreciate your continued support from home.
