

Please find below the summary of our week in school.

We have survived another hot week!

We started the week with our swimming lesson, and it was lovely to watch all the children jump in. We completed our spelling test and spelling lesson, continued reading *The Wild Robot* (we have great fun guessing the title of each chapter!), and worked hard to finish our animal fact files.

In Maths, we continued learning how to tell the time to the minute and identify am and pm. The afternoons have been very hot in our classroom, so we have been moving to different areas around the school to stay cool.

In Science, we learnt about the different types of skeletons and the names of our bones. We also enjoyed spending time in the shade of the trees during Forest School.

The children had a fantastic morning in Year 4 and had lots of fun on the bouncy castle. We finished the week with some exciting water activities on Friday, which everyone thoroughly enjoyed!

Spellings -challenge words

Please can you put these words into alphabetical order, or put them into sentences or write the definition of the word.

disappear
forbidden
specifically
capable
reaction
neighbour
committed
personal
misunderstanding
confusion

Time

Please practise telling the time.

Some interactive games –

[am or pm](#)

[telling the time](#)

A18

The tunnel stretched as far as the eye could see, deeper and deeper into the heart of the rock. Our breath quickened as we set off into the unknown.

Is this happening now or in the past?

How do you know the tunnel is long?

Which word tells you the writer does not know what is at the end of the tunnel?

Why does the writer say that their breath quickened?

Write a sentence the writer might say to someone who is with them.
