

WC: 15th -19th April 2024

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too. Home school communication books should be returned to school on a **Wednesday** and are sent home on a **Friday**.

Please find below the summary of our week in school.	
English	This week, we have continued with the book 'Claude in the City.' The children have written a description of Claude and the setting using adjectives. They have also written a sentence about what they have described.
Maths	We have started our new topic of 'Mass and Volume.' The children have looked at objects that were heavier and lighter, measured mass, compared mass, compared volume and took note of containers that were full and empty.
History	We have continued with our new theme 'Why does it matter where my food comes from?' This week the children have explored dairy products and looked at where they come from.
Science	We have continued with our new theme 'plants'? This week the children have been learning about bulbs and seeds. We looked at different bulbs and seeds in the classroom. Then we went outside within our school grounds to look at different plants and trees. The children drew the things they observed and labelled their pictures.
In the Year 1 class provision	We have really enjoyed role-playing in our home corner, drawing, and reading stories in our book area.
Remember, to keep  reading every day!	Please record reading here: _____ _____ _____
eBooks! In class, we have been sharing this book as part of our whole class reading. The book is called 'Wild Art.' If you would like to, you could read the other books on your account as well. Some of your children may need support reading this book. https://www.oxfordowl.co.uk/please-log-in	
Home Learning- To compare the length of objects. Shorter or longer. We are currently doing PE two days a week and at times we go outside where there are no drinking facilities. Please give your child a water bottle every day to bring to school so they have water with them when we go outside.	
Diary Dates – Many thanks from Year 1 team.	

Please visit our class page on the school website to look at the photos we take during the school day – <https://www.st-matthewsbloxam.co.uk/>
