

Week beginning 6.11.2023

Please find below the summary of our week in school.		
English	We have started our new book, 'Beegu'. This week we have made predictions on what we think the story will be about, used speech bubbles and question marks to infer how the character is feeling, and we have used adjectives to describe a character setting (Beegu's home).	
Maths	This week we have continued to look at addition and subtraction number problems. We have used the part whole model to find missing information. We have also revisited fact families, including subtraction.	
Science	We have started our new topic 'everyday materials'. This week we have been gathering and recording information about what we already know about materials, and what we would like to find out.	
History	We have started our new topic 'Great explorers'. This week we have been gathering and recording information about what we already know about explorers, and what we would like to find out.	
In the Year 1 class provision	We have really enjoyed role-playing in our home corner, drawing, and reading stories in our book area.	
Remember, to keep reading every day!		Please record reading here:
<u>Home Learning-</u> This week we had a visit from the firefighters. They discussed with us how to stay safe. Can you remember what they advised? Please create a poster on how to stay safe. Don't forget to add 'Stop, Drop and Roll!'		
<u>Diary Dates –</u> <u>We have a daily tuck shop in our dining hall at breaktime. It sells biscuits, raisins, juice, milkshakes etc. Prices range from approximately 50p-£1. However, this is optional as all students in KS1 are offered fresh fruit on a daily basis and water is always accessible.</u> <u>Every Thursday AFTER SCHOOL there is a tuck shop ran by PAFOS which sells crisps, sweets etc. Please do not send money into school for the after-school tuck shop.</u> Many thanks from Year 1 team.
