

Week beginning 27.11.2023

Please find below the summary of our week in school.	
English 	We have started a new book, 'Man on The Moon'. This week the children have asked questions to aid their understanding through exploring illustrations. They created a role on the wall and described a character and setting. The children have discussed and recorded their ideas and put the events of Bob's day in order from him waking up in the morning, to him going to sleep at night. They used time connectives to order Bob's day. In addition, the children ordered events of a day in the life an alien. We will continue with this book in the coming weeks.
Maths 	This week we have started a new topic 'Shapes'. The children have been able to recognise and name 3-D shapes, Sort 3-D shapes and also exploring shapes practically.
	As part of our enterprise week, the children have been learning Design and Technology. They have designed purposeful, functional and appealing products using a range of tools and materials. They have explored and used various techniques and evaluated their finished product.
In the Year 1 class provision	We have really enjoyed role-playing in our home corner, drawing, and reading stories in our book area.
Remember, to keep reading every day! 	Please record reading here:
Home Learning- As a mathematician... Can your child spot some 3-Dshapes and name then on your way home and around your house.	
Diary Dates – <u>Every Thursday AFTER SCHOOL there is a tuck shop ran by PAFOS which sells crisps, sweets etc. Please do not send money into school for the after-school tuck shop.</u> Many thanks from Year 1 team.
