

Week 3 – 9th March to 13th March

Welcome to our home school communication! Each week you will get an overview of the class learning and will be set some home tasks too. Home school communication books should be returned to school on a **Wednesday**.

Please remember you have access to reading books on the Oxford Owl website. These are books that we have shared during our guided reading sessions.

PE will continue to be on a Friday and Forest outdoor learning on a Monday.

Please find below the summary of our week in school.	
In the Classroom...	This week we have continue learning all about growing, we have been watching our grass grow and we investigated what happened when we put lettuce, spring onions and carrots tops into water to grow. We labelled a flower – labelling the roots, leaves, stem and flower and we learnt all about the different jobs the different parts of a flower have. We enjoyed making our special females' cards, flowers and cakes. We hope you enjoyed them! We have been thinking about our feelings, focusing on the feeling jealousy. We enjoyed trying figs at snack time. In PE, we continued to play team games and using our bodies to create numbers and holding balances with our friends.
Outside the classroom...	In the outside area, we have been enjoying he sunshine, going on the slide, playing in the sand, building train tracks, obstacle courses and playing with the doll house.
Phonics	This week has been a recap of ai, ee, igh and oa and we learnt oo – the book nook. We have been writing sentences on whiteboards. We have been reading "I win!" and talking about how the characters are feeling.
Maths	In Maths, we have been focusing on number bonds to 10 – these are pairs or three numbers that make 10. We used the cubes to make 10 and found one less than 10. We have been counting to 100!
Home learning	Please practise your sounds and harder to read and spell words and read your book. Thank you Number Bonds of 10 Ten-Frame Activity  $7 + \square = 10$  $5 + \square = 10$  $\square + 8 = 10$  $\square + \square = 10$  $\square + \square = 10$  $\square + 4 = \square$  $\square + \square = 10$ Can you create your own?  $\square + \square = \square$ Can you complete the number bonds to 10?

Please remember to visit the school website for the photos. [Reception class page](#)
