

WANTED – NEW GOVERNORS

What are we looking for?

Our school Governing Body is made up of Governors from all walks of life and many come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the School and are the link between the School and the community it serves

We want you -

We are currently looking for new Parent Governors, Community Governors and Foundation (Church) Governors and would be delighted to hear from anyone who has:

- an interest in the performance of the school.
- a desire to contribute to and represent the community.
- an open and enquiring mind
- the ability to look at issues objectively
- the confidence to ask questions and join in debate.
- a willingness to listen and make informed judgements
- the ability to work well with others
- time to spare
- a child or children currently attending the School (Parent Governor only)

If you match the above description, you may be the very person to become a Governor at St Matthew's Bloxam Primary School. Everyone has something to offer and we want people from as many backgrounds and with as wide a range of interests as possible.

What can we offer?

- A chance to develop skills in strategic management
- The opportunity to work with our team of governors and staff in improving our School
- A sense of achievement in making a difference to our School
- The pleasure of helping pupils reach their potential

What is the Governing Body's Role?

The Governing Body of our school plays a key role in:

- setting targets for raising standards of educational achievement.
- monitoring progress towards meeting these targets.
- supporting and challenging the performance of the headteacher
- deciding policy and future development plans

As well as attending meetings governors are also asked to look at specific areas of the school's work in more detail. To help support governors, everyone has access to further training to help build on existing skills or to develop new ones.
