1	anonymous	The lovely staff, how well they look after my son and the amazing stuff they do.

7	anonymous	Great teachers, creative homeworks
8	anonymous	The teachers! Always friendly and approachable for parents and kids alike. Teaching methods are fantastic and encourage the children to get involved in the class rather than just sitting and being taught at. Finally I'd say the extra curricular activities such as the school talent show and various trips really give the kids a reward for their hard work.
9	anonymous	The values that St Matthews Bloxam have installed in to my daughter is something that will empower her in high school, and in her future as an adult. I cannot thank every single member of staff enough for all you have done.
10	anonymous	The improvements its making are great, the school fair was impressive this year,I like that key staff are on the playground first thing for easy quick answers and a chat.

13	anonymous	I can relax and be reassured my girl is being well looked after, which is everything. All nursery staff ensured a quick settling in period through constant communication, reassurance and worked with Evelyn's interests. Staff contunuiuly update me on development milestones and we work together on next steps to fill the gaps. I am certain Evelyn will continue to flourish in reception. Outstanding in my opinion all the staff are amazing.

29	anonymous	All members of staff work together and care so greatly about the children they teach, nurture and help grow while in their care. I can not recommend them highly enough. Both academically and emotionally/mentally they give 100% to the children and are willing to go above and beyond for them. I would not want me son to go to any other school. The whole atmosphere in the school is so caring welcoming and friendly, it puts the children at ease and my son loves coming to school.

42	anonymous	SMB is not just a school but a community of supportive, helpful and thoughtful people. SMB has always provided a safe space for my son to express himself, feel heard and feel valued. Every member of staff we have encountered have always been incredible friendly and supportive. We are so lucky to be a part of this wonderful community.
43	anonymous	St. Matthew's Bloxam has a great ethos of including, supporting and celebrating everyone within its school community; to enable them to "Let Your Light Shine". The staff mix well with not only the children and parents in their own year groups, but also across the whole school, which helps create a supportive family atmosphere. We feel very lucky to all be part of the SMB community. Thank you for all you do.
