POETRY DAY

Be Glad Your Nose Is on Your Face

Jack Prelutsky - 1940-

Be glad your nose is on your face,
not pasted on some other place,
for if it were where it is not,
you might dislike your nose a lot.

Imagine if your precious nose
were sandwiched in between your toes,
that clearly would not be a treat,
for you'd be forced to smell your feet.

Your nose would be a source of dread
were it attached atop your head,
it soon would drive you to despair,
forever tickled by your hair.

Within your ear, your nose would be
an absolute catastrophe,
for when you were obliged to sneeze,
your brain would rattle from the breeze.

Your nose, instead, through thick and thin,
remains between your eyes and chin,
not pasted on some other place--
be glad your nose is on your face!

We had a fantastic poetry day on Thursday!
Each class was tasked to learn a poem to
then perform it in front of the school. There
was some really fun poems performed and
some great expression! Year 5 learned the
following poem: Be Glad Your Nose is on
Your Face. They really enjoyed working in
groups to decide how to perform their own
verses.

YEAR 6 PARENTS/CARERS

APPLYING FOR A SECONDARY SCHOOL PLACE

The application process is now open to submit your application for their secondary school place.

The deadline to apply for a secondary school place is **31 October 2026**

If you miss this deadline, you are much less likely to get offered a place at a preferred school because you will be allocated a place after everyone who applied on time.

This deadline applies to all families, even if your child is sitting the 11+ exam. You still need to submit an application for your chosen secondary schools.

Please visit <https://www.warwickshire.gov.uk/applying-secondary-school-place> for more guidance on how to submit your application by the 31st October deadline.

This week's Family Information Service Newsletter - Tuesday 29th September 2026

The Family Information Service (FIS) provides free, impartial advice on a variety of services and useful information.

They produce a weekly newsletter. Please use link below to access the newsletter.

ATTENDANCE

Our whole school attendance target is **95%**

This week's whole school attendance is **98.4%**

School starts at **8.50am**, arriving after this time may affect your child's attendance mark.

Can we ask that if your child is not well enough to attend school that we have a **specific reason** and **not 'unwell'** as we need to state a reason in the attendance records.

Please can medical appointments be made for after school.

We also require proof of appointments that are made during school time.

Please follow the attached links for useful information

HARVEST FESTIVAL

On Thursday 8th October we will be holding our Harvest Festival at St Oswald's Church.

The service is at 9.30am and we would welcome you to join us.
We would also be appreciative of any help in walking the children to and from the church.

Please note that only children in years 1 - 6 attend church services.

We would also welcome any donations for Rugby Foodbank.

Free online personalised self-care
information & support for adults and
children in Coventry & Warwickshire

Changes are a normal part of our lives and they affect us all in different ways. Some changes may feel small to you, but big to another person, and the opposite for a different change. For example, moving to a new class or school, moving homes, or starting a new club. They can feel exciting, but they can also feel overwhelming and stressful, especially when they are unexpected. Below are some tips to help you cope with changes that may feel hard for you.

Our tips for coping with change:

1 – Keep doing things you enjoy!

When we feel stressed or worried, it can be easy for us to focus on the worries all the time and forget to do the things that make us happy. Make sure to plan in time at the weekends and evenings to do things you enjoy to help you relax and boost your mood!

2 – Think about what you can control

When a change is unexpected or overwhelming, we can feel a bit like we have no control over the situation or how it is making us feel. It can be helpful to think about what you do have control over in this situation. For example, we can't control how the change makes us feel but we can control how we react to the situation and what we do following the change. Such as, staying connected with our friends and family, keeping to our daily routines, and planning ahead where we can.

3 – Look for the positives

While change can feel hard, there's often something good that comes from it, even if it is not immediately obvious. Such as, new opportunities, new people or learning experiences. You might even surprise yourself and enjoy the change!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the
school year including term time and school holidays.

Please contact your school's Mental Health Lead for
information and advice.

School Attendance

Every day counts...

Good attendance helps with...

Academic Achievement

Regular attendance helps children keep up with the curriculum and perform better academically.

Social Skills

Attending school regularly helps children develop friendships, social skills and learning how to interact with others.

Routine & Responsibility

Good attendance teaches the importance of commitment, routine, and responsibility, which are all valuable life skills.

Focus & Engagement

Children who attend school regularly are more likely to stay engaged in their learning and develop a positive attitude towards education.

Building Confidence

Regular attendance can boost a child's self-esteem and confidence, as they see their progress and achievements over time.

Enhanced Learning Opportunities

School provides not just academic instruction, but also extra-curricular activities and enrichment opportunities.

Having 90% over 5 school years, is half a school year's work missed!
